We are pleased to tell you that our examination of the flow-through entity *Durham Genetics* shows no change is required in the tax as currently shown for your return(s) for the above period(s).

If you have any questions, please write to the person whose name is shown at the top of this letter or you may call that person at the telephone number shown. If the number is outside your local calling area, there will be a long-distance charge to you. If you prefer, you may call the IRS telephone number listed in your local directory. An employee there may be able to help you, but the office at the address shown on this letter is most familiar with your case.

If you write to us please provide your telephone number and the most convenient time for us to call in case we need more information. Please attach this letter to any correspondence to help us identify your case. Keep the copy for your records.

Thank you for your cooperation.

Sincerely yours,

R. Lawrence Heller
